**REQUEST FOR RECONSIDERATION OF DISMISSAL OF PETITION TO
WITHDRAW HOLDING OF ABANDONMENT
- OFFICE ACTION NOT RECEIVED**

1. I hereby request reconsideration of the petition to withdraw the holding of abandonment in this case, on the basis that the Office Action forming the basis of the abandonment was not received.
2. I hereby state:
 - (a) the Office Action identified in telephone conversation between the Applicant and the Examiner on December 8, 2004, was not received. In this conversation, the Non-received Office Action was indicated as mailed on June 4, 2004.
 - (b) A search of the file jacket and the docket records in our office indicates that this Office Action was not received.
3. A copy of the docket record where the non-received Office Action would have been entered had it been received and docketed is attached as Exhibit A to the Declaration of Kerry R. Thompson in Support of Petition to Withdraw Holding of Abandonment – Office Action Not Received.
4. As additional evidence of non-receipt of the Office Action, there are also attached as exhibits to the declaration

Serial No.: 10/026,670

Page 2

(a) Copies of records that disclose the receipt of other correspondence mailed from the PTO on or about the mailing date of the non-received Office Action that evidence the docketing of Office Actions in other cases in our office.

(b) A statement from the person(s) who would have handled the Office Action had it been received in the form of a Declaration of Kerry R. Thompson in Support of Petition to Withdraw Holding of Abandonment – Office Action Not Received.

(c) (NEW) A docket report listing all responses in our firm with a due date at and around September 4, 2004.

5. In consideration of these submissions, it is again respectfully requested that the holding of abandonment be withdrawn.

6. Applicant requests a new copy of the Non-Received Office Action and that the Non-Received Office Action be accorded a statutory reply period corresponding to a new mailing date.

7. The Examiner stated in a telephone conversation with Applicant on December 9, 2004, that pursuant to the language of the Manual of Patent Examining Procedure at Ch. 711.03(c)1a, no fee is necessary with this Petition. Therefore, no fee is believed necessary at this time. However, if this assumption is in error and a fee is required, the Commissioner is authorized to charge our Deposit Account No. 06-0029 and is requested to notify us of the same.

The grant of this petition is respectfully requested.

Respectfully Submitted,

**DECLARATION OF KERRY R. THOMPSON IN SUPPORT OF
PETITION TO WITHDRAW HOLDING OF ABANDONMENT
- OFFICE ACTION NOT RECEIVED**

I, Kerry R. Thompson, declare and state the following:

1. I have been employed at the law firm of Faegre & Benson LLP for the last five years. My position currently and for the last two years is as a Paralegal in the Intellectual Property Group.
2. I am responsible for reviewing and docketing incoming correspondence from the United States Patent and Trademark Office according to docketing procedures in place in the Minneapolis, Minnesota office of Faegre & Benson LLP.
3. The policy in our office is that all mail from the USPTO is directed to me for docketing.
4. Our docket records for this matter do not reflect receipt of an Office Action for this Application Serial No. 10/026,670, mailed June 4, 2004.

Serial No.: 10/026,670
Page 2

5. I have inspected the file jacket of Application Serial No. 10/026,670 and determined it does not include any copy of an Office Action, mailed June 4, 2004.

6. As of December 8, 2004, Faegre & Benson LLP had not received an Office letter from the U.S. Patent and Trademark Office requiring a reply or amendment to the Application Serial No. 10/026,670.

7. Attached hereto is Exhibit A, which is a printout of our docket system entries for Application Serial No. 10/026,670. Exhibit A is a copy of records that would disclose the receipt of any Office Action mailed from the USPTO on or about the mailing date of June 4, 2004 of the non-received Office Action. Exhibit A evidences the non-receipt of the Office Action mailed June 4, 2004.

8. Attached hereto is Exhibit B which is a printout of our docket system entries for Application Serial No. 10/154,645 showing receipt of an Office Action mailed June 4, 2004 under column heading "BASE" and row including "FR N FINAL REJECTION (AA)." Exhibit B shows that another Office Action mailed by the USPTO on June 4, 2004 was entered into our docket system for a case unrelated to this application.

9. Attached hereto is Exhibit C which is a printout of our docket system entries for Application Serial No. 10/420,523 showing receipt of an Office Action mailed June 3, 2004 under column heading "BASE" and row including "R2 N RESPONSE TO OA (2MO)". Exhibit C shows that this correspondence mailed by the USPTO on June 3, 2004 was entered into our docket system for a case unrelated to this application.

10. Attached hereto is Exhibit D which is a printout of our docket system entries for Application Serial No. 10/151,199 showing receipt of a Notice of Allowance (as evidenced by required payment of "ISSUE FEE") under column heading "BASE" and row including

Serial No.: 10/026,670
Page 3

"IF N ISSUE FEE". Exhibit D shows that this correspondence mailed by the USPTO on June 3, 2004 was entered into our docket system for a case unrelated to this application.

11. Attached hereto is Exhibit E, which is a report from our docket system showing a list of all responses in our firm with a due date at and around September 4, 2004, and, in particular, between August 22 and September 18, 2004. As can be seen in this report, a response to an Office Action for the above listed patent application is not included, since it was not received.

The undersigned declares further that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted,

MARK E. ABDELLA et al.
